

Bingo Alif to Yaa

- 1. Give every student a bingo card.
- 2. Call out a letter.
- 3. Students must then identify the letter on their bingo card.
- 4. If a student has all letters covered diagonally, across a row or vertically in a column, they should call BINGO.
- 5. If a student claims they have BINGO and they are incorrect, they are disqualified from that round.
